

Museum Etiquette

- Look with your eyes and not with our hands. Your hands have natural oils on them which can damage the Museum's "artifacts".
- Walk, DO NOT run, in the building.
- Do not go behind roped off areas.
- Speak with a quiet voice.
- Remain with your chaperone and your group.
- Remember our docents (guides) are volunteers, which means they are not paid for the work they do. Please treat them with courtesy and respect.
- Listen when the Museum docent is speaking. He/she has a lot of information to share.
- Raise your hand to get the attention of your docent.
- Please feel free to ask questions.

Thank you!
